information regarding these positions*

# LOOKING BACK ON MARCH...

## Literacy Night- Roadtrip Across America

On March 5, the PTA hosted the third annual Literacy Night which was a tremendous success, bringing together families from both FJC and JAE for an evening filled with fun, learning, and community spirit. Students explored a variety of engaging literacy stations that sparked creativity and a love of reading, while the book fair gave families the chance to discover new stories to take home. We were so fortunate to welcome local authors who inspired our young readers, and the Twisted Balloon Show was a highlight of the night—reminding us all that reading can take you anywhere!

A heartfelt thank you goes out to our incredible teachers, staff, student volunteers, parent volunteers, and custodial team whose hard work and dedication made this special evening possible. Your support helped create a memorable experience for all of our families! We are grateful for the many businesses that also sponsored this event with their generous donations. We look forward to next years event around PARP and if you would like to be involved as a volunteer or sponsor please reach out!

## From the Fires Assembly

8th grade students from the middle school recently attended a powerful & thought-provoking assembly, "From the Fires: Voices of the Holocaust," presented by the Theatre Three Touring Company. The PTA sponsors this for students to coincide with their study of the Holocaust in Social Studies, helping to deepen their understanding through powerful storytelling and meaningful reflection.
